

Birthday Party FAQs

When can I have my party?

You can have your party during any of our public sessions. Our parties are held in our party room or rinkside for easy access to skate! Check out our public session schedule at www.independenceeventscenter.com.

What do I need to do to reserve my party?

You can call us at 816-442-6161, email mritter@independenceeventscenter.com or stop by the rink. You will need to put down a non-refundable deposit of \$75.

What if my child or friends have never skated?

We recommend purchasing our Intro to Ice Skating Lesson. One of our staff instructors will teach the kids skating basics such as how to fall down, stand up, march/ skate, glide, and stop. The instructor will also spend part of the 30 min helping with skates at the beginning, answering questions, and playing games!!

What is the difference in the party packages?

Each package includes a snack and an entrée for each child. The Celebration and Surprise Packages allow you to choose different options of snacks and entrées for the kids.

What do I need to bring?

We want to take care of all of the hassle for you! You do not need to bring anything except you may bring your own cake if you would like! Please just recommend the participants to wear warm, layered clothing and to bring gloves. We will take care of the rest!

The Independence Events Center strives to provide a fun and safe environment for everyone to come skating! We know you will enjoy celebrating your birthday party with us!

We do the work...
You have the FUN!
